Region 9 President

**Report from  
Region 9  
Community Service  
Chairman  
Janie Haddaway**

Your president, Andy Selking, has chosen the Shriners Hospitals for Children in Houston and Galveston, Texas as our community service project for the next 2 years. I have been in contact with the person in charge of donations and she will be attending our Region 9 rally in Montgomery. She has already shared not only do they need financial donations but also the following items would certainly help: light weight lap blankets, knit caps, scarves, and tote bags. Even in the summer they will be able to use these items, because with lost of weight and muscle they are more subject to cold. Tote bags, so they will have something to put their "things" in as they go to different treatment areas. So if you or your unit is crafty get busy and let's have a bundle of items for her to take back with her for the children.

Remember, these children are treated and none are turned away because they can't pay. If your unit wants to have fundraisers, that is terrific. You may send checks to me made out to: **Shiners Hospitals for Children** and I will send them in with a letter letting them know it is from our region and I will also keep a tally of what is given. I will report this through the president.

Children belong to all of us, let's help where we can. If you have any questions send me an e-mail: [jhaddaway@juno.com](mailto:jhaddaway@juno.com) or call 254-266-2214.

Thank you for all you do, one reason we are the best region in WBCCI!!!
