Region 9 Members,

As I write this I can tell it is autumn by the beautiful color of the leaves on the trees in Texas and Oklahoma. The weather has cooled down and it's a perfect time to get out and travel. There are many great places to go and see in an Airstream. I am also reminded that it is Football Season. We will be taking our Airstream to the OU home football games again this year as we have done in the past. Tailgating in an Airstream is lots of fun. Many people come by just to see an Airstream and look inside. They always ask, "Do they still make these and what year is yours?" Our answer always is, "Yes, they still make them and ours is almost new." It is an opportunity to tell others about the great WBCCI club we belong to and the fun that we have caravanning and going to club gatherings.

Unit Installations are underway and will continue thru December. Thanks to all who have stepped up to fill a Unit position. We could not do it without you! Barb and I love visiting with all the various units and look forward to being at several installations.

Region 9 will be the hosts of the upcoming Mid-Winter IBT Rally to be held in Robstown, TX in January. If you have never been to an IBT rally, this is your opportunity to see what it's all about. International and Region officers meet during the week to make many decisions concerning the club. There will also be some great entertainment and meals as well. Please sign up for this rally and let's give everyone a great "Lone Star Experience."

Don't forget to sign up for the Region 9 "Airstream Hollywood" Rally! It's sure to be lots of sunglasses, stars and limousines! Information about the Region 9 rally can be found on the Region 9 website.

See you down the road!

Andy Selking
Region 9 President

Hello Region 9 Members,

Here it is November already. Vickie and I attended the North Texas Unit Installation Rally November 7, 8, 9, 2014. Calvin & Beverly Winchester were installed as President/1st Lady for 2015. Congratulations Calvin! I'm sure they will do a great job along with the other members of their staff.

Once again, Vickie and I plan to visit and become acquainted with as many Region 9 units and members as possible.

As you know, we had a little detour in the road this year, and as an update: We have returned home from Houston and the doctors feel like that we have whipped the cancer. We go back to Houston on December 16 for a few days of final testing to make sure there is no cancer left. I am feeling good, although still somewhat fatigued. Thank you for all of your support and prayers.

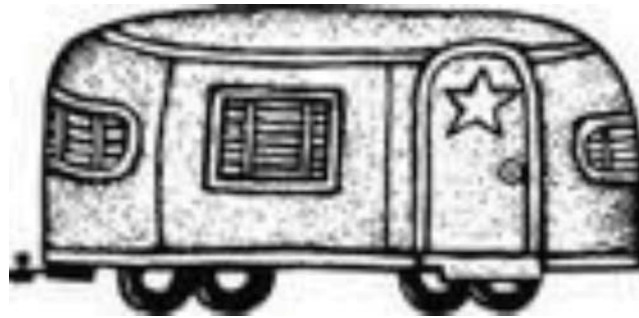

Remember to support Andy & Barb at their rally March 23-29, 2015 in Montgomery, TX. Let's show them we know how to Airstream Hollywood!

See you down the road,

Jim Courtney
Region 9 1st VP
